### About Tumkur University

Tumkur University was started in 2004 to address the needs of students in higher education in Tumkur district. With an ardent faith in the adage "knowledge is Eternal", the University is surging ahead with its research-gearred mission. Aiming to achieve human potential development through committed and dedicated efforts, the University is ensuring an effective application of integrated and inter-disciplinary approaches in its dissemination of knowledge.

### About Tumkur

Tumkur is a historic-cultural city, retaining its peace and nativity, in spite of being an hour's drive from Bengaluru, the State capital on NH-4. The place is known for the beautiful hills that surround the city and a few historical places are certainly worth a visit. Tumkur is well connected with most of the districts in Karnataka and can be reached from Bangalore by road or by train.

### About University College of Science

It is a constituent college of Tumkur University located on B.H. Road, Tumkur. The college caters to the diverse educational needs of the Tumkur and Rural students. It offers UG and PG courses such as B.Sc and M.Sc in various branches of science in order to meet the growing demands of the higher education. Today it can proudly promise quality education to the needy students.

### About the Department

The Department of English provides excellent training to the graduating students to develop their proficiency in English. The Department encourages the students to take part in competitions, seminars and debates at inter collegiate and inter-university levels. To meet the present demands of the liberalized global economy communications skills are imparted to the students to enable them to excel in their chosen fields.

### About The Conference

The proposed conference brings out new trends and developments in the teaching of English, with respect to current challenges and issues.

### Objectives of the Conference

This conference offers a professional platform for teachers, research scholars and others in the field of English language teaching to exchange their experiences and expertise. It also aims to bring teachers of English closer to discuss best practices and share research and new ideas. The conference will initiate a meaningful dialogue among the professionals involved in the teaching of English.

### Discussion themes/Thrust Areas

- Teaching communication skills to rural students
- The effectiveness of Bilingual methods
- Application of ICT in English classrooms
- Expanding horizons of ELT
- ELT for professional training
- The new Curriculum for ELT
- Rural-Urban Gap in ELT
