Institute of Management Studies (IMS)

Institute of Management Studies (IMS) was established in the year 1992 with 28 students which has now grown into full-fledged Institute with 240 students. The Institute has been offering M.B.A Program with specializations in Finance management, Marketing and Human Resource Management with the objective of meeting the ever-increasing demand for management education. This year, Institute of Management studies has successfully completed its Silver Jubilee and marching ahead successfully. Department is also conducting Research programs like M.Phil., Ph.D., and successfully awarded Ph.D. to many Research Scholars.

Department of Political Science

The Post Graduate Department of Studies and Research in Political Science offers M. A., M. Phil, Ph.D Courses on regular basis. The Political Science Department is known for the distinctive approach to the study of Politics. The teaching and research within the department has been designed in a way that encourages students to explore interconnections between ideas, events, institutions and policies. One outcome of this endeavor has been a constant redefinition of the idea of the Political enabling us within the discipline to capture the dynamics of changing reality. The Department has fulfilled many of its goals with a fair amount of success. redefinition of the idea of the Political enabling us within the discipline to capture the dynamics of changing reality. The Department has fulfilled many of its goals with a fair amount of success.

Background of the Conference

The make in India Strategy adopted by the Hon'ble Prime Minister Shri Narendra Modi aims to facilitate investment, foster innovation, entrepreneurship, enhance, skill development in the country. Mahatma Gandhi has rightly pointed out that "India lives in Villages". Villages comprises the core of Indian Society and present real India. Rural entrepreneurs are those who carry out entrepreneurial activities by establishing Industrial and Business units in the rural sector of the economy. In other words, establishing industrial and business units in the rural areas refers to rural entrepreneurship. Entrepreneurship can play an important role in rural development. This two-day conference allows student delegates and participants to tap their capacity for creativity with trust in proposing ideas. Polish your ability to test new business ideas and develop your skills in persuasion and concept pitching.

DAVANGERE UNIVERSITY

A One-day National Conference on

**Rural Entrepreneurship
A Road Map for Athmanirbhar Bharath**

On

16th March 2021

Organized by
